Please assign me to a foursome.

If possible, I would like to be in a foursome with the following players:

	<i>Check Enclosed</i>	<i>To Be Paid By Player</i>
1. _____	<input type="checkbox"/>	<input type="checkbox"/>
2. _____	<input type="checkbox"/>	<input type="checkbox"/>
3. _____	<input type="checkbox"/>	<input type="checkbox"/>

NOTE: It is a lot easier to accommodate foursome requests if all 4 checks are sent together, as we get numerous conflicting requests every year (e.g., 6 persons asking to play in one foursome). If you organize it properly yourself, we can't screw it up.
